### Become a More Confident Leader

On May 16, author, Star Dargin, PPC, CPCC, will demonstrate how to become a more confident leader by incorporating gratitude into your daily practice. Drawing on over twenty years of leadership experience, she will discuss ways to measure gratitude, how to develop a plan for daily practice, and how to reassess your gratitude "muscle".

The Chapter Meeting, [Confident Leaders from Capable Project Managers Using the GLAD Tool](#) will be held at the Puritan Back Room in Manchester. If you are ready to register, click [HERE](#).

## Help Us Reach the Stars

On the first Saturday of every May, the McAuliffe-Shepard Discovery Center in Concord holds AerospaceFest, a day-long event to share the love of space with New Hampshire kids. The PMI New Hampshire Chapter supports AerospaceFest at a booth where we tie the love of space to the love of Project Management. If you love kids, Project Management, and/or Space, please volunteer to man the PMI New Hampshire Chapter booth and help us "Plan a Mission to Mars".

For details, click [HERE](#). If you are ready to volunteer, contact the [President, Steve Lundquist](#).
