- 2 Calendar of Events**
- 2 Education & Professional
Development**
- 3 2009 Chapter Meeting PDU's**
- 4 Editor's Note**

From the President's Desk

I can't believe that my term as your chapter president is almost over. It has been a rewarding experience for me as I've enjoyed working with all the BOD members as well as various chapter members on different activities throughout the year. If you want an opportunity to grow your knowledge of PMI and PMI-NH, please consider offering your skills for the betterment of the chapter. You will not be disappointed in working with such a fine organization and a fine group of people!

Please welcome Ray Peeples as your new president and Salvatore Angelone as your new President-Elect on July 1. I ask that you support them as you have supported me over the last year.

Keep your eye open for a new networking opportunity at the July meeting. This meeting allows an opportunity to meet your new president and I think this year's meeting be a fun way to get to know your fellow chapter members better. Check out the Events information for more details.

We are always looking for people to write articles for the newsletter. If you have an interesting project management or leadership story to tell, get that keyboard out and start typing. We'd love to hear from you and I'm sure your fellow chapter members would too.

If you haven't registered for the June or July meeting, consider doing so now!

Diane George, PMP

President

PMI New Hampshire Chapter

PMI – NH Chapter support from

Editor's Note

Thank you Diane! – The chapter has seen a number of activities and initiatives during the time Diane has served as President over the past year. How right you are about time flying by... If you are a chapter member, consider attending a monthly meeting, volunteering, or even contributing to the newsletter as part of your continued professional development.

Welcome Ray and Salvatore! ... as Chapter President and President–Elect. Today there is more change for project managers and the New Hampshire chapter will continue to be a valuable resource for helping to refine the skills needed to meet new challenges.

PMP certification exam: Study sessions are set for both in Merrimack and Fremont. Check the **Education & Professional Development** section for details. If you have experience with the PMP exam, consider being a volunteer mentor.

Write away! – Do you have news or a short article that you'd like to see included in the newsletter?
