FROM THE PRESIDENT'S DESK

Greetings,

This past month's chapter meeting served as our annual meeting and what I hope will become the tradition of thanking and recognizing the people that serve the chapter. This organization runs on volunteers, with their hard work we keep that chapter on track. I would like to personally thank my team for making this a great year, in trying times!

We honored two special people this year, Diane George and Brian Bobar for their service to the chapter.

Diane has been a member for 7 years, served as Director of Membership, President Elect, President and Past President. Diane is moving back to her home state and we are losing her as a member, mentor and contributor, but she will always be someone I call friend. For that service to the chapter we have awarded her the "Triad of Leadership", this small token will hopefully remind her of all the great times here with us. Thank you Diane!!

There are several other people that have been instrumental in the smashing success that this last year has been, and I have little to reward them with other than our thanks! The short list includes Howie Lyhte and Jan Wells for all the work on netPM. Brenda McIlveen for helping insure a smooth transition of the Director of Membership position to Andrea Moy and Steve Lapinskas for all the behind the scenes work of putting together the newsletter.

We could not do the continuing education without the speakers that come to our monthly dinner meeting, Thank you all for your time and talent, many more than once!

Many thanks to our study group mentors from the past year, many attended all 13 weeks, rain or shine:

David Cloutier	Tony George	Kathy Jacobs
Victor Zammit	Dave Russo	Claudia Richards
Diane Link	Linda Williams	Greg Snicer
Ravi Kichannagari	Subbakaran Singh	Mike Schesser
Venkata Suresh	Kumar Alapati	Peg Duggan- Coordinator

It is also my pleasure to welcome a few new board members, Laura J. Starrett, as Director of Program and Claudia Richards as Director of Education. And most importantly as my term comes to an end, Thank you making this chapter, your chapter!

Sincerely,

Raymond C. Peoples Jr.

About Star Dargin

Star works with mid to senior level professionals, smart, energetic, independent business owners, ready for a change. Leaders and Managers who have been successful in their content area and are now stalled or stuck.

Who Should Attend

This seminar is for project managers/leaders, program managers, functional managers, committees and anyone who participates on teams of any kind.

Prerequisite:

All participants must have the willingness and desire to learn how to communicate in alternative ways with your teams to develop deeper, more trusting coaching relationships.

You will learn to:

Coach - understanding what it is, how to do it, and when

Use the basic skills of coaching to:

- Surface powerful questions
- Create actions and be accountable to them
- Listen between the lines
- Try new perspectives and reframing
- Develop coaching relationships and processes that are based on a contract, goals and permissions.

You will benefit by:

- New perspectives and ideas that can lead to understanding and problem solving
- Learning to proactively manage more, rather than managing by "reaction"
- Knowing how to create deeper, trusting work relationships
- Having learned an alternative way to communicate effectively
- Learning new tools and techniques you can apply immediately.

Other News ...

With a sad note...

Rita A. Mulcahy May 15th, 2010

Rita Mulcahy, founder of RMC Project Management, passed away May 15, 2010 after a long struggle with breast cancer.

Shortly after founding RMC Project Management in 1991, Rita quickly realized that in order for people to enhance their careers by becoming Certified Project Managers they would need an excellent PMP Exam Prep Study Guide. She wrote one. That Guide went on to become the world-wide industry standard for PMP Exam Preparation.

Rita was an internationally recognized expert on project management techniques, advanced project management theory, risk management and project management certification. Rita had over 15 years and US \$2.5 billion worth of hands-on project experience, as well as over 10 best-selling project management resources to her credit. She spoke to thousands of executives and project managers each year, and had a reputation for helping people to learn and to have fun while doing it.

Rita's company, RMC Project Management grew into an industry leader helping tens of thousands of project managers become professionally certified. Today, RMC Project Management continues to offer hundreds of Project Management training products including: books, e-books, e-learning courses, instructor led courses, live on line courses, and a variety of kits and self study materials. The company continues to grow with divisions in publishing, warehousing, distribution, online books, and real estate.

Rita had a love for the outdoors, the arts, theater, and skiing.

Rita is survived by her husband, Tim Mulcahy; daughter, Kerry Mulcahy, 7, and son Conner, 5; sisters, Mary (Steve) Sherman and Ruth (Walter) Levins; brother, Richard (Chris) Kolb.

In lieu of flowers, donations can be made to the Susan G. Komen for the Cure of breast cancer foundation.

Editor's Note

I'd like to thank Diane George for her effort and assistance in helping me as part of re-starting the Chapter monthly newsletter. It's hard to believe that it's been just over a year since getting newsletter underway again. Her enthusiasm and sense of humor will be missed.

As Ray pointed out, the chapter relies on the effort of volunteers who donate their talents and time to help make the chapter a valuable resource.

Now is the time to act if you haven't thought about contributing. Get in touch with Ray or any Board member to learn more about what you can do.
