President's Message 1

Chapter News 3

FROM THE PRESIDENT'S DESK

Hello Peers:

Well, we had our first chapter meeting and what a great event it was.

We had Mark Kozak-Holland present "Agile Leadership and Management of Change -- Project Lessons from Winston Churchill and Battle of Britain."

For those who could attend, your feedback was very positive, thank you! For those who could not attend we have a fantastic October with Jaques Goupil presenting "Project Visibility, Collaboration, and Synchronization with Project Server 2010."

Additionally, for the chapter members looking for career opportunities, I have reached out to hiring managers at NH companies to come to our chapter meetings. And, they are coming!

So, put on your best game face, bring your resume and say hello to the human resource representatives that will be onsite specifically to meet you!

Your participation will drive whether this is something we should do for all chapter meetings going forward.

A netPM area will also be available for all members. For those who have not participated in netPM please stop by and say hello to Howie Lyhte, the Director of Networking and see what the buzz is all about.

October 25th-28th The Project Summit / Business Analyst World is coming to the Boston Marriott Burlington in

Burlington, MA. This is a great event to hone or learn new skills in your professional career while also earning up to 25 CDU's & PDU's.

Plus, You can save up to \$225 by entering the New Hampshire PMI Chapter Invitation code:NHPM when you register!

On our volunteerism front I am excited to share with you that I have reached out to several non-profit organizations and I will have updates to share with you at our next chapter meeting.

Please make every attempt to attend the chapter meetings. As well as having exciting and engaging speakers and hiring managers available did I mention that we have fabulous prizes to give away?

Sincerely,

Salvatore Angelone, PMP

President
